Issue 1

February 2017

## **WELCOME BACK MEMBERS!**

We welcomed in the new club season during our January meeting on the 24<sup>th</sup>

WE were joined by guest speaker Capt John McMurray of One More Cast Charters and of the Mid Atlantic Marine advisory Committee. It was a good meeting as we enjoyed a nice power point presentation and quite a bit of information on local fishing and forage species as well. Techniques were covered as well as historical cycles and fisheries. We also spent a little while discussing the state of the fisheries before we adjourned. It was great to see everyone and get the year going!

## *Freeport Show on Tap!*

As the winter is flying along, the Freeport show snuck up on us and the board held an unscheduled meeting to tie up loose ends and get things on track. We are all set to go with Capt Richie helping out with the raffle rods again, and we have the banner, brochures and membership forms ready to distribute and have all the information on hand about the upcoming open meetings and guest speakers. We will have a few people working the booth each day of the show. This year the show is only on Saturday and Sunday. There is slated to be guest speakers and of course an auction on Sunday afternoon. This all takes place February 18<sup>th</sup> and 19<sup>th</sup>. For more on the show visit the Federation online at [www.nysf.org](http://www.nysf.org)

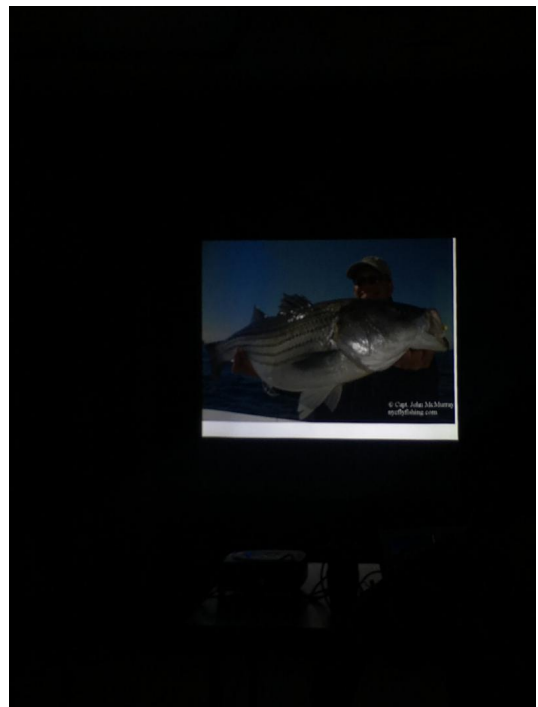

## ***THE CLUB OBTAINS A NEW SPEAKER FOR OUR FEBRUARY MEETING!***

Capt Roger Bing of the charter boat Bingo will be conducting a presentation on Wreck fishing !

Since purchasing the "BINGO" in 2009 Capitan Roger Bing has been at the helm. He is a third generation fisherman who is known to provide productive fishing experiences for anglers of all experience levels. In addition to 25 years of fishing experience, Captain Roger is also a graduate of SUNY Maritime College. The unique combination of a "hands on" nautical education and time spent "wetting a line" result in the assured safety of your group in addition to a positive fishing experience. Those who know Roger will attest to his passion for fishing and putting a good catch together.

You can read more about his 35 ft Henriques and his charters on line at [www.bingo-fishing.com](http://www.bingo-fishing.com)

## *PHOTO ALBUM!*

Capt John McMurray's Power point presentation showed some nice fish taken on his guided charters in the shallow flats of Jamaica bay & Fire Island , and offshore on the tuna grounds.

## **Blackfishing Rockaway Reef 11/25**

Well this was my best trip of the season and it came on the last trip of the year!

After speaking with people who had been fishing Rockaway Reef all season and not quite seeing the success that was being reported to me.. I stayed out there on a set of evil numbers enjoying a good pick of fish with lots of life on 14 and 15 inch fish for Matt and I with a flurry of keepers up to 4.5 lbs, not overly large but I had a few in a row on that one stage of the tide (first hour of outgoing) Seems like the outgoing tide was the ticket and we went through the half bushel of crabs ( whites and greens ) and left the fish biting as the sun started to set. A great way to end a less than phenomenal season. Mike Bobetsky
