NEW MEMBERS AND OLD PITCH IN AT NYSF SPORTISHING FORUM& AUCTION!

We had ourselves a heck of a time at this year's show. We had a very experienced crew working the booth Saturday, and Sunday we had an ambitious and very helpful crew of new members working hard to promote the club and trying to sell some raffle tickets. For some reason this year not many patrons of the show spent any time in the first row where the clubs booth is, as well as longtime vendors, the fisherman, the old salt tackle company and others. If you speak to anyone who worked the admissions booth, they would tell you the attendance was very good, but most every vendor we spoke with complained. I want to formally thank all the volunteers who worked the booth for us and did a very good job trying to make things happen for us and we did have a few guests at the last meeting from the people that stopped by to see us at the show. PHOTOS OF THE BOOTH BEFORE THE SHOW OPENED AT DURING A LULL ON SUNDAY NEAR CLOSING TIME.

NEXT UP IN OUR SEMINAR SERIES!

Don't miss the March 27th meeting as we welcome Capt. Marco DeStefano of the *Misty Dawn* // Charter boat out of Montauk. He will be doing a bucktailing seminar that covers fluke and Seabass. I have spoken with him and he's excited and really loves his fishing, and evidently catching speeders on the highway as he's a highway patrol officer in Queens. He also was a long-time mate for Tom Mikeleski on the Grand Slam!

Fishing Report:

3/02/18

Mitch managed to escape the rigors of this crazy winter and hopped aboard Miss Islamorada out of Bud N Mary's in ISLAMORADA and did some yellow tail snapper fishing with Amanda. They had some nice fish Getting 7 yellow tail snapper fishing wasn't great but much better than the fishing he would have done in the cold here in NY!
