Fall Charter Set!

We have booked the Orient Star out of Orient point for our fall Blackfish Charter which will take place on Sunday November 5th. (Boat is the old Finchaser) WE will sail at 6 am and return from the Rhode Island waters at 4pm In consideration of the strong moon tides the captain has professed to us that should we not be able to make it to Rhode Island and fish in reasonable currents, he will cancel the trip and refund the deposit. ***This trip is limited to 15 anglers and the cost is 75 per member and associate member. There is a full list of people and a wait list has been started as well. We will need a deposit of 40 dollars on or before the October 24th meeting. This is a popular trip, deposits are non- refundable unless the trip is cancelled by the captain. Please make sure you contact a board member if you want to be put on the wait list.***

AUCTION RECAP!

This Year's tackle and more auction took place on September 26th

The meeting was well attended and there were quite a few items brought in to auction off. 400 dollars was sold thru the bidding and the club made a few dollars (40 to be exact) . WE thank Pete Baresi for being our Auctioneer and for all the laughs! Everyone had a good time and we adjourned the meeting after reports and our raffles.

Members are urged to help our new members to get accustomed to the club and to learn the ins and outs so they can get the most out of being an Atlantis Angler! IT doesn't hurt to go fishing with our new members either!

WELCOME ABOARD Jeff!

Capt. Bob Schmitt to Speak at Octobers Meeting!

I have contacted and obtained Capt. Bob Schmitt of the charter boat Sea Rogue to be our guest speaker at this month's Meeting on October 24th. He will be doing a blackfishing seminar. Some highlights from his BIO as it appears on the boats website:

"Born and raised in Freeport, New York, I have been fishing Long Island's beautiful local waters my entire life. It all started when my dad took me fishing for the first time at age 3. Since then I've been "hooked."

Growing up on the water, I spent as much time as possible fishing from piers and boats. Eventually I became a mate on numerous charter boats, soaking in the natural splendor of the sea while learning all I could about charter fishing. As time went by, fishing became much more than a job or a hobby for me...it became my passion.

My fishing experiences extend well beyond Long Island's waters and include many other fascinating locations as well. I've traveled up and down the eastern seaboard, from Maine to the Florida Keys, to ports in Hawaii, Mexico, Central America and throughout the Caribbean.

As the captain of Sea Rogue Fishing Charters I'm able to do something that few people are given the opportunity to do: work at something I love. Plus, I get to share my enthusiasm for the sea and my knowledge of fishing with my customers. I'm proud to say that I have authored numerous fishing articles for publications such as Nor 'east Saltwater and The Fisherman and am a featured seminar speaker."
