September 2018

## **Auction on tap for September 25th!**

One of the best meetings of the year is on tap for September as we hold our annual tackle auction! Please go through your things and decide what you may want to auction off and place a tag on it with a minimum accepted bid and your name. Try to arrive to the room early as the quicker we can set up the better. We always have a lot of laughs at the auction and the club gets a few bucks for the treasury out of any sales that members make, it's a nice deal for all involved you won't want to miss it!

## Team Contest Results!

The morning of August 25<sup>th</sup> offered up a calm ocean and warm temperatures and light winds as we took to the water as a club and participated in a friendly team event aimed at getting members out there fishing together. The Fishing wasn't great but there were a few taken, and the team of Marv Nathanson, Bill Piemonte, and Mitch Gootnick won the event with a little over 8lbs

### ***F.T.C. Shootouts!***

With 19 plus pounds of fluke taken by FTC they edged us out on August 11<sup>th</sup>-13<sup>th</sup>. We came in second with 15lbs 8 oz. So in fluke we're 1 and 1 and we were shut out in the spring striped bass shootout.

Not to worry we still have the December shootout below and there are plans for another striped bass shootout earlier than that and a blackfish shootout, so stay tuned and monitor your emails!

[December 7,8,9 striped bass \(All events are weather permitting\)](#)

**It is understood that anglers may participate from charter or party boats as well as private boats or from land. This is for bragging rights and no one is expecting cheating, nor do I expect cheating from any of our members. We want to win to show we're a strong club, but the right way, so get out there and fish!**

## Capt. Bob Schmitt of the Sea Rogue Saves the Day!

After numerous attempts to obtain a guest speaker for our August meeting and having had cancelations from Chris LaPorta of the DEC reef Program and Captains Josh and Jess from the Gypsea charters in rockaway, I made a last-ditch effort to fill the open spot and called up Sea Rogue charters Captain Bob Schmitt. Bob immediately expressed interest and said he had a charter in the afternoon, but would be there even with the short notice, he understood that the others had canceled on us and he was more than happy to save the meeting. Not only did he have charters on the morning and afternoon of the meeting but had charters the next day as well.... We had a good turnout for the meeting as around 28 people came. The seminar was both informative and timely as he focused on local areas from this point of the season on covering multiple species and approaches to fishing them. He hung around through the remaining of the meeting, and even spoke with me in private as we were cleaning up when he offered all our members a 15 percent discount on any charter with him! He is great captain and a fine person as well so if any of you are interested in a small group charter, 2-4 people, he is a great option particularly in the nice weather months!
